Reading:Border Games Policing the U.S.- First Class Honors

1 Shariatmadari Border Games gives a thoughtful and insightful analysis of the transforming border dynamics between the United States and Mexico, especially after the foreign policy shift on security in a post 9/11 era. The direction of border security has been stagnant for a long time, and many aspects remain as so, but 2001 proved to be a dramatic year in terms of attitudes towards foreign actors.

Book Review.docx - Border Games Policing the U.S Mexico ...

Border control has changed in recent years from a low-maintenance and politically marginal activity to an intensive campaign focusing on drugs and migrant labor. Yet the unprecedented buildup of border policing has taken place in an era otherwise defined by the opening of the border, most notably through NAFTA.
