UIUC IB 202 - The IB 202 exam - GradeBuddy

Honestly, 202 was one of the least intensive IB classes I've taken. As far as I remember, you should be fine as far as math goes (basic algebra if any) and they usually walked through any chemistry that was mentioned. The class was mostly a lot of review from biology classes that I took in high school so you should be fine.

IB 202 Question? From a non-major : UIUC

r/UIUC: This subreddit is for anyone/anything related to UIUC. Students, Alumni, Faculty, and Townies are all welcome. ... Is the lab in IB 202 required? I'm taking the non-major section but just received an email about labs this week. I really don't need to take the lab. Just want to take the class to better understand physiology.

IB 202 : UIUC - reddit

Strongly Recommended: Students are encouraged to gain research experience (IB 390 and/or IB 490). Students may count toward graduation no more than a combined maximum of 10 hours of IB 390/IB 490 credit. For additional information about graduation requirements for students in the College of Liberal Arts and Sciences, please see the College's website on academic programs, or
