In reported speech or indirect speech, we may not necessarily use the exact words of the speaker. It is often used to convey small talk or gossip about what other people said. It is also often used to paraphrase long speeches or extended discourse. We can use both past and present tense in reported speech.

Student B writes the conversation on his or her own worksheet, in reported speech form. Students A and B then alternate, with one student reading aloud and the other writing the conversations in reported speech form. 4. You may want to review the different reporting verbs or refer students to page 151 in the Student Book.
