Browsing books at eReaderIQ is a breeze because you can look through categories and sort the results by newest, rating, and minimum length. You can even set it to show only new books that have been added since you last visited.

Section 1 The History Of

History. The existence of section lines made property descriptions far more straightforward than the old metes and bounds system. The establishment of standard east-west and north-south lines ("township" and "range lines") meant that deeds could be written without regard to temporary terrain features such as trees, piles of rocks, fences, and the like, and be worded in the style such as "Lying ...

A crucial element of this section of the internal assessment task is formulating an appropriate question to investigate. The six key concepts for the history course (causation, consequence, continuity, change, significance and perspectives) can be a useful starting point in helping you to formulate a question. (Source, IB History Guide, p84)

Cesarean section has been part of human culture since ancient times and there are tales in both Western and non-Western cultures of this procedure resulting in live mothers and offspring. According to Greek mythology Apollo removed Asclepius, founder of the famous cult of religious medicine, from his mother's abdomen.

Cesarean Section - A Brief History: Part 1

Hand gestures are, of course, often culturally bound and can vary from group to group. But there are a few of them which, if not universal, are very common indeed around the world. I'd like to focus on the history of four gestures in particular: the salute, the thumbs up, the high five and the handshake.

Section 1 of the Canadian Charter of Rights and Freedoms is the section that confirms that the rights listed in the Charter are guaranteed. The section is also known as the reasonable limits clause or limitations clause, as it legally allows the government to limit an individual's Charter rights. This limitation on rights has been used in the last twenty years to prevent a variety of objectionable conduct such as hate speech and obscenity. When the government has limited an individual's right, t
