The Fifth Head Of Cerberus

The Fifth Head of Cerberus is the title of both a novella and a single-volume collection of three novellas, written by American science fiction and fantasy author Gene Wolfe, both published in 1972. The novella was included in the anthology Nebula Award Stories Eight.

The Fifth Head of Cerberus - Wikipedia

The reviewer Lost Marble and others observe Wolfe's subordination of plotline: "The Fifth Head of Cerberus contains some philosophic themes that run deeper than the mysterious plot." I suspect I will find this true in his later stories, and admit that most of my favorite writers do the same.

Back in print for the first time in more than a decade, Gene Wolfe's The Fifth Head of Cerberus is a universally acknowledged masterpiece of science fiction by one of the field's most brilliant writers.Far out from Earth, two sister planets, Saint Anne and Saint Croix, circle each other in an eternal dance.

Book Review: The Fifth Head of Cerberus by Gene Wolfe | Mboten

(NOTE: just about the original, 'Fifth Head' novella from Orbit 10): Strange that I've now several times heard that newcomers to Wolfe DEFINITELY should start with Cerberus rather than the more complex New Sun, as the former simply seems a slimmer volume of the self-same Wolfe-isms: ellipses, Easter eggs (both deep and banal), mid-tier Proust rip-off deep memory mining mixed with mid-tier ...

The Fifth Head of Cerberus by Gene Wolfe | LibraryThing

Gene Wolfe, The Fifth Head of Cerberus (Millennium, 1999) reviewed by Robert Borski "When I was a boy my brother David and I had to go to bed early whether we were tired or not." So begins, with its Proustian echo, the titular novella of Gene Wolfe's The Fifth Head of Cerberus, first published in 1972.

The Fifth Head of Cerberus reviewed - Ultan's Library

"A Story" by James V Wynn Perhaps 180 years or so previous to the murder of Maitre in the first eponymous novella of The Fifth Head of Cerberus, French explorers landed on a planet that would known as St. Anne. The atmosphere is the same as Earth. This is never explained -- and doesn't have to be because it is a staple of science fiction.

The V Head of Cerberus

by Peter Wright. Since its publication in 1972, The Fifth Head of Cerberus, Gene Wolfe's collection of three inter-linked novellas, has earned a reputation for being the author's most perplexing single volume.Such a reputation is entirely justified since ambiguity is the watchword to the text. More significantly, it is also an organising principle of form, a means of confounding ...

Confounding the Skin and the Mask: Gene Wolfe's The Fifth ...

From a structure standpoint, The Fifth Head of Cerberus is comprised of three individual novellas. Character and theme interwoven throughout each to form a larger whole, the eponymous first tells the story of #5 and his brother, and their strange relationship with their father.

Speculiction...: Review of "The Fifth Head of Cerberus" by ...

Gene Wolfe's The Fifth Head of Cerberus is a collection of three related novellas about a binary planetary system settled by Earth, but with the suggestion of an aboriginal population on one planet that either died off or by virtue of their shapeshifting properties replaced the original human colonists.The 1st tale concerns an unusual childhood that involves growing up in a brothel run by a strange brother sister tag team where the children are clones.

Amazon.com: Customer reviews: Fifth Head Of Cerberus

— Gene Wolfe, The Fifth Head of Cerberus. 0 likes. Like “Because there is no opportunity to act. It is always wise to talk a great deal, discussing what has been done and what may be done, when nothing can be done. All the great political movements of history were born in prisons.”

Title: The Fifth Head of Cerberus

Note: Technically a collection of three novellas: "The Fifth Head of Cerberus," "'A Story' by John V. Marsch," and "V. R. T." Thematically a novel. The Fifth Head of Cerberus was pre-published a couple of months before the novel, and has been reprinted multiple times as a separate work. The second part was extracted and published as 'A Story' by John V. Marsch in 1994.

Title: The Fifth Head of Cerberus

THE FIFTH HEAD OF CERBERUS, Gene Wolfe's first book-length work of note, is a collection of three seemingly unrelated novellas that are, at the close of the third, shown to be cunningly interlinked. The first novella, "The Fifth Head of Cerberus", was published in one of Damon Knight's Orbit anthologies in 1974, while the latter two were ...

The Fifth Head of Cerberus book by Gene Wolfe

The Fifth Head of Cerberus (cu sensul de Al cincilea cap al Cerberului) este o nuvelă științifico-fantastică și o colecție de trei nuvele din 1972 de Gene Wolfe (de aici titlul romanului, deoarece Cerberul din mitologie a avut trei capete). A fost publicată de editura Charles Scribner's Sons.
