### Tim Brown Design Thinking

—Tim Brown, Executive Chair of IDEO Thinking like a designer can transform the way organizations develop products, services, processes, and strategy. This approach, which is known as design thinking, brings together what is desirable from a human point of view with what is technologically feasible and economically viable.

### IDEO Design Thinking | IDEO | Design Thinking

“Tim Brown has written the definitive book on design thinking. Brown’s wit, experience, and compelling stories create a delightful journey. His masterpiece captures the emotions, mindset, and methods required for designing everything from a product, to an experience, to a strategy in entirely different ways.” (Robert I. Sutton, author of The No Asshole Rule)
