Whats Wrong With China

What's Wrong with China is a collage of ideas, a grab bag of themes and theories, not the least of which is the author's supposition that Chinese culture is rooted in a deep informalism that cannot be eradicated. Business and politics are inextricably tied, so the book necessarily touches on global affairs.

What's Wrong with China: Midler, Paul: 9781119213710 ...

What's Wrong with China is the most cogent, insightful and penetrating examination I have read on the paradoxes and self-deceptions of Modern China, written by someone who has lived in the country and dealt with it day to day for decades. This book will be hated by the commissars, because it is a triumph of analysis and good sense.
